## Veterans MFG® T-Shirt Carrier Gen2 Sizing Guide

A good rule of thumb: you want to go up one size from your standard size.

### Chest Measurements

Carrier Size	Inches	Centimeters
Small	34 - 35	86 - 91.5
Medium	36 - 37	91 - 94
Large	38 - 39	96.5 - 99
XLarge	40 - 41	101 - 104
XXL	42 - 43	106.5 - 109
XXXL	44 - 45	111.5 - 114

Measure the largest part of the person's chest and around the back. Match the measurement with the size chart above to determine suggested size.

The Veterans MFG® T-Shirt Carrier Gen2 is made smaller than "true to size" due to the function of the carrier. It should fit snug and not extremely tight that it constricts breathing or normal movement.
